

SCHOOL BUS SERVICES INFORMATION

January 2024

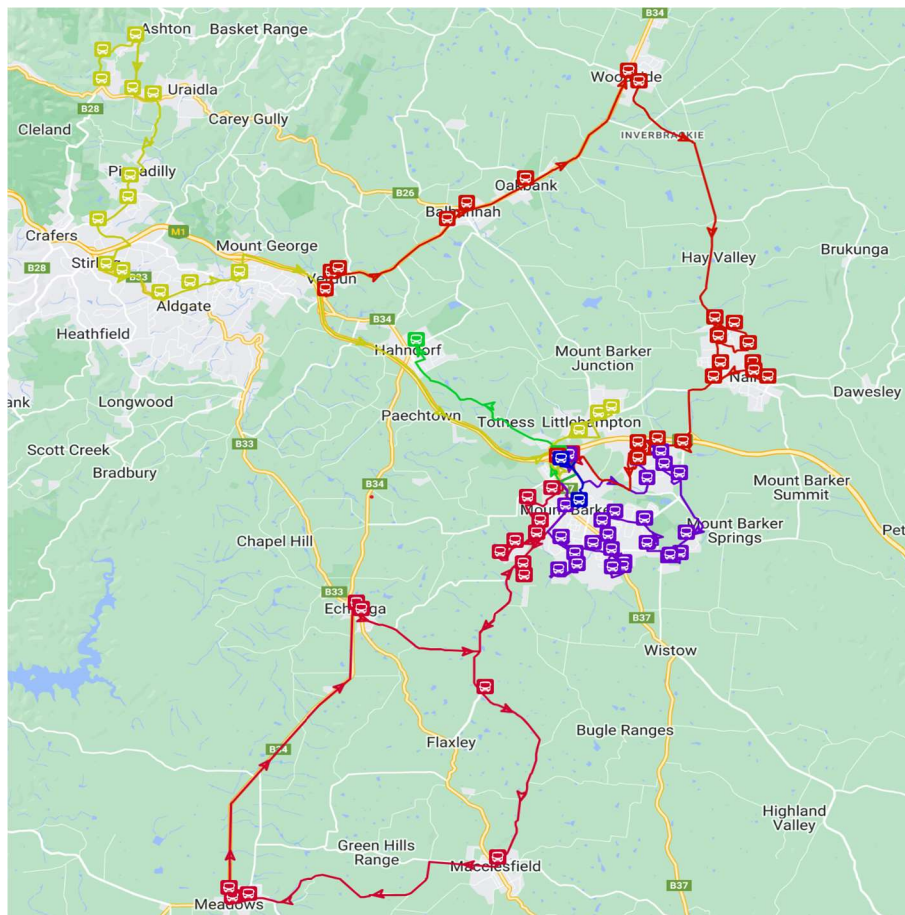

Operating under the banner of HILS (Hills Integrated Lutheran Schools), the school bus network is exclusively for the students of Cornerstone College, St Mark's Lutheran Primary School, St Michael's Lutheran Primary School and Lobethal Lutheran School. The bus services will provide our school communities with safe and reliable transport, to and from school, that is affordable, flexible and convenient.

The HILS bus network routes include:

- Bus Route #1 – Mt Barker
- Bus Route #2 – Nairne (via Balhannah, Oakbank, Woodside)
- Bus Route #3 – Summertown / Littlehampton (via Stirling, Aldgate, Bridgewater)
- Bus Route #4 – Macclesfield, Meadows, Echunga
- HILS connections:
 - Cornerstone to St Mark's / St Mark's to Cornerstone (specifically for St Mark's students)
 - Cornerstone to St Michael's / St Michael's to Cornerstone (specifically for St Michael's students)
 - Cornerstone to Lobethal / Lobethal to Cornerstone (via transit stop in Woodside)

HILS bus routes are reviewed annually.

BUS TRAVEL

The HILS bus network offers services to and from school throughout the Adelaide Hills. Each bus is branded with the HILS schools' logos and is easily recognisable for students and families. A friendly and experienced bus driver has been appointed for each route, so students will see the same faces each time they catch the bus.

BOOKINGS

Both regular and casual bookings are available however, families requiring the bus for regular and frequent travel each school term, have priority use of the bus service. Casual seats are granted where spaces are available.

Changes to booked travel can be made no later than 6.30am, for travel that morning or by 2.30pm, for travel that afternoon. This will allow us to update the passenger list.

Payments, notification of absences and virtual tracking of the buses will be made available through the BusMinder Parent app. This can be downloaded from Apple App Store (Apple devices) or Google Play (Android devices).

Bus bookings can be made through this link:

[Link for families](#)

Please submit bookings for first time users at least two days before planned travel. This will allow enough time to set up via BusMinder and confirm that a seat is available.

BUS COSTS

We have endeavoured to make the cost as affordable as possible and we acknowledge financial assistance received from the State Government through the South Australia Regional Bus Grant program.

The cost per journey is \$2.00 for regular bookings (where a bus seat is booked for regular and frequent travel during the school term) or \$3.00 for casual travel.

A term pass for regular travel (or proportion) is required to be paid on booking as follows:

Term Pass (AM & PM)	\$180 per term
Term Pass (AM)	\$90 per term
Term Pass (PM)	\$90 per term

Where seats are limited due to demand, the HILS bus service gives priority to regular users travelling on a daily basis (morning and afternoon).

PAYMENT

Payment of bus fares is made through the Busminder Parent app.

There are a selection of credit amounts to choose from to top up the Busminder app.

Please ensure that there is sufficient credit available for travel at all times.

BUSMINDER – HOW TO GUIDE

The BusMinder system is a GPS-based system that allows parents to track, on their smartphone, the bus their child is on and the real-time location of that bus.

The BusMinder Parent App can be downloaded from the Apple App Store (for Apple devices) or Google Play (for Android devices).

In this system, each student swipes their ID Card or BusMinder Card as they get on and off the bus. The student's ID Card / BusMinder Card is linked to the unique, password protected, BusMinder Parent account.

As a parent, BusMinder will enable you to view the real-time location of your child's bus, their boarding location, and whether your child is on board. Ticket payments will be managed through the secure BusMinder app and can easily be topped up at any time.

Eventually, bookings / changes / absences will be managed via the BusMinder app however this is taking some development with BusMinder given that our parents require the functionality to make bookings for students from multiple schools instead of one school.

Please read on for some Q&A information about BusMinder.

How do I install and use the app?

The secure, user-friendly BusMinder Parent app can be downloaded from the Apple App Store (for Apple devices) or Google Play Store (for Android devices). Here are a few tips for setting up and using the app:

- To set up BusMinder on your phone, download the Parent app and click on *Login*, then '*Forgot your password?*'. This will enable you to set a password using the email that was registered during the booking process.
- Once you have logged in, you will be asked whether the app should be allowed to send you notifications. We strongly encourage you to **allow** notifications to enable you to see the location of the bus in real-time, which will help you determine the appropriate time to drop your child(ren) at the pick-up location, or to meet the bus in the afternoon.
- BusMinder can also alert you when your child boards the bus in the morning and boards and alights the bus in the afternoon.
- The Parent app also contains an alert feature that can be used to send push notifications to your smartphone if a bus is running late, has been replaced or is not running that day (for example in the event of Catastrophic Fire conditions).

Here is a short video on how the BusMinder Parent app works:

[BusMinder You Tube](#)

How does the system work/what will my child need to do?

As students board the bus, they tap their Student ID card (Cornerstone College) or BusMinder Card (St Mark's and St Michael's) against the BusMinder unit in the bus which records their name, location and boarding time. This 'tap' will provide parents with information that their student(s) have boarded or departed the bus via the BusMinder app notification. All student 'Tap On' and 'Tap Off' information is available to the College / Schools in real-time.

Students will be able to view the location of the bus on the route they are travelling. If you would like your student to have access to the app, please let us know.
