Please email [HILSBus@cornerstone.sa.edu.au](mailto:HILSBus@cornerstone.sa.edu.au) with any route/stop requests.

## BUS TRAVEL

The HILS bus network offers services to and from school throughout the Adelaide Hills. Each bus is branded with the HILS schools' logos and are easily recognisable for students and families. A friendly and experienced bus driver has been appointed for each route, so students will see the same faces each time they catch the bus.

## BOOKING ENQUIRIES

Both regular and casual bookings are available however, families requiring the bus for regular and frequent travel each school term, have priority use of the bus service. Casual seats are granted where spaces are available.

Complete HILS Bus Booking Form [HERE](#) or scan QR code.

For first time users, form must be submitted at least two school days prior to planned travel to confirm seat availability and establish your account. Confirmed enquiries will receive a welcome email with BusMinder log on details.

As a parent / caregiver, the BusMinder Parent app has many features:

- real-time location of your child's bus as it travels;
- notification as they tag on & off the bus;
- create absences to advise when not travelling;
- make payments/top up your account; and
- **\*NEW\*** make/cancel casual bookings.

The app can be downloaded from Apple App Store or Google Play Store.

**More details about the BusMinder App can be found on pages 16-17.**

## CASUAL BOOKINGS via App **\*NEW\***

Students with either a Regular or Casual booking can now use the BusMinder app to add or remove casual bookings. For students with regular bookings, this may be used to add occasional bookings.

Casual bookings must be made by 6.30am (AM runs) or 12 noon (PM runs).

Casual bookings can be made up to three weeks in advance.

A short video on how to make bookings through the app can be viewed [HERE](#).

We recommended adding your common routes to "Favourites" by clicking the star.

The cost of casual travel is \$3.00 per trip, paid on booking (there must be sufficient credit on account, top up prior if required). If cancelled within 24 hours of planned trip there will be no refund.

**Important for Shuttles:** St Mark's & St Michael's students only need to book the main route (e.g. MB AM). Shuttles will be automatically added to your booking based on your school. Shuttles may also be booked when not linked to a main route.

## REGULAR BOOKINGS

Regular bookings can be made for students, and when seats are limited, priority will be given to these bookings. They may be for a regular morning run, afternoon, a single run or combination. These bookings may be for a full term.

Regular booking requests can be made by completing the HILS Bus Booking Form [HERE](#) or scan QR code.

The cost of regular travel is \$2.00 per trip.

The cost for a term pass (daily travel) is available as follows – or proportion of:

Term Pass (AM & PM) \$180 per term

Term Pass (AM) \$90 per term

Term Pass (PM) \$90 per term

Account charges for regular travel are applied (by the respective school) each term and are required to be paid in full, within two weeks of term commencement/booking.

Payments can be made through the BusMinder Parent App – via Top Up.

Accounts should be \$0.00 owing or have a positive balance.

### Changes to Regular Bookings

To change details of regular bookings, email [HILSBus@Cornerstone.sa.edu.au](mailto:HILSBus@Cornerstone.sa.edu.au) at **least 24 hours** before first changed pick/up drop off. This email account is monitored Monday – Friday, from 8am – 4pm.

All booking/change requests must include:

- Student name
- School
- Route
- AM or PM
- Stop for pick up/drop off
- Any additional information

A confirmation email will be sent to you once the change has been made (bookings will be accepted subject to availability).

All absences must be logged via the BusMinder Parent App. Additional casual bookings can also be made through the App.

### Absence from Travel Submissions for Regular Bookings

When a student does not require a trip (either AM, PM or both) for a particular day, or period of time, the BusMinder Parent App is to be used to notify this absence.

This is done via the Student tab “Add Absence”.

These must be made by 6.30am (AM runs) or 12 noon (PM runs) as per casual bookings. This ensures bus drivers have accurate passenger lists and do not wait unnecessarily at the bus stop for the student to arrive.

Absences can be added to the BusMinder Parent App up to 7 days prior to the date of travel

## PAYMENTS – Regular or Casual

Payment is required prior to travel – both for regular and casual passengers.

Account charges for regular travel are applied (by the respective school) each term and are required to be paid in full, within two weeks of term commencement. This also applies to new bookings.

Casual bookings are charged to the account when bookings are made. Please ensure sufficient credit is available before making a booking. Account ‘top ups’ and payments can be easily made through the BusMinder Parent App.

1. Log In to the BusMinder Parent App
2. Tap "Students"
3. Tap the student's name
4. Tap "Top Up"
5. Tap the "CUSTOM"

## HOW TO GUIDE

The BusMinder system is a GPS-based system that allows parents to track, on their smartphone, the bus their child is on and the real-time location of that bus.

The BusMinder Parent App can be downloaded from the Apple App Store or Google Play Store.

In this system, each student swipes their Student ID Card (Cornerstone) or BusMinder fob (primary schools) as they get on and off the bus. The student's ID Card / BusMinder Fob is linked to the unique, password protected, BusMinder Parent account.

As a parent, BusMinder will enable you to view the real-time location of your child's bus, their boarding location, and whether your child is on board. Payment for travel will be managed through the secure BusMinder Parent App and can easily be topped up at any time.

Please read on for some Q&A information about BusMinder.

### How do I install and use the app?

Here are a few tips for setting up and using the BusMinder Parent App:

- To set up BusMinder on your phone, download the BusMinder Parent App and click on *Login*, then '*Forgot your password?*'. This will enable you to set a password using the email that was registered during the booking process.
- Once you have logged in, you will be asked whether the app should be allowed to send you notifications. We strongly encourage you to **allow** notifications to enable you to see the location of the bus in real-time, which will help you determine the appropriate time to drop your child(ren) at the pick-up location, or to meet the bus in the afternoon.
- BusMinder can also alert you when your child alights the bus in the morning and boards and alights the bus in the afternoon.
- The BusMinder Parent App also contains an alert feature that can be used to send push notifications to your smartphone if a bus is running late, has been replaced or is not running that day (for example in the event of Catastrophic Fire conditions).

Here is a short video on how the BusMinder Parent app works:

[BusMinder You Tube](#)

### **How does the system work/what will my child need to do?**

As students board the bus, they tap their Student ID card (Cornerstone College) or BusMinder fob (St Mark's and St Michael's) against the BusMinder unit in the bus which records their name, location and boarding time. This 'tap' will provide parents with information that their student(s) have boarded or departed the bus via the BusMinder Parent App notification. All student 'Tap On' and 'Tap Off' information is available to the College / Schools in real-time.

Students will also be able to view the location of the bus on the route they are travelling. If you would like your student to have access to the app, please let us know.
